We, Dr. Ortho Scott, President and Esther Glaze, Vice President of CANNDU Neighborhood Council declare that we are the President and Vice President respectively of the CANNDU Neighborhood Council and that on Thursday, November 6, 2014 we voted against the approval for an auto repair and body use, owner John Kim, located at 5918 S. Broadway Street, Los Angeles, California 90003,

The Brown Act noticed public meeting was held by the CANNDU Neighborhood Council with a quorum of 8 board members present and that by a vote of; 8 yes, 0 no, and 0 abstentions the CANNDU Neighborhood Council adopted the following resolution:

We did not vote or approve the REQUEST TO CONVERT TO AN AUTOR REPAIR AND BODY USE. The Board does not believe it will be beneficial for the neighborhood, in fact detriment to the health and breathing of this community because it is already saturated with auto repair and body shops. These all contribute to the unhealthy air and soil of this community which is detrimental to our seniors and youth especially.

Therefore be it resolved that CANNDU denies the proposal submitted by the applicant JOHN KIM, FOR THE CONVERSION OF A FURNITURE ESTABLISHMENT TO AN AUTO REPAIR AND BODY USE.
