

Dear CANN DU Council leaders,

Happy New Year from EmpowerLA! We hope you enjoyed your holiday season and are ready to get back to empowering your communities. Elections are in full swing so check out the updates below. We also have workshops in funding, outreach, elections and ethics this month. In addition to the workshops, Civic University 2.0 is quickly filling up. We are only accepting 100 participants in this amazing hands on graduate level advocacy class in February, and we are more than half way there. Civic U 1.0 graduates will have priority to take the course. Please [submit your applications](#) by Friday, January 15, 2016.

Administrative Update:

As elections are coming upon us, please take time to create legacy books for your Neighborhood Council to capture the accomplishments of your board, strategic plans, budgets, bylaws, social media/website passwords and inventory of equipment. These legacy books can be physical or saved to the cloud. Don't let your hard work disappear during board transitions. If you have any questions on how to do this, please contact NCsupport@lacity.org.

Funding Updates:

The Third Quarter Replenishment is scheduled to be deposited into your NC's checking account by the first week of January, 2016. Based on funds available, your NC will receive up to \$11,250.00 by the end of that first week. Please make sure to always check your balance before issuing payments to ensure there are sufficient funds available to cover any expenses. NCs with frozen funds from delinquent Monthly Expenditure Reports will still have the ability to pay for election costs in addition to monthly operational expenses. Please contact your Funding reps for assistance.

Funding Workshops have been scheduled for the following dates: January 20, 2016 in the Braude Center 6262 Van Nuys Blvd. Room 1A and 1B Los Angeles, CA 91401 from 6-9, and January 29, 2016 from 1 - 4 pm at EmpowerLA's downtown office. Please RSVP by going to EmpowerLA.org/funding-workshops

What Are Your Clean Streets Success Stories?

We'd like to start 2016 by listening more to what Neighborhood Councils are doing to keep their communities clean. In 2015, Mayor Garcetti honed in on ensuring that the Bureau of Sanitation provide quality services to all Angelenos through his Clean Streets Initiative. EmpowerLA would like to help share your stories on how your NC has led or supported community clean up projects. Please take the time to submit your stories here:

<http://empowerla.org/share-your-story-2/>

Outreach Updates:

There are 12 NationBuilder/Nextdoor workshops in 12 Regions in January. The workshops start on Jan 11 and end on Jan 28. These workshops will cover how to log into NationBuilder, import contacts, send messages, create lists and filters, and how to navigate through your NationBuilder site. We will also cover the basics of Nextdoor and how your Neighborhood Council can benefit from this online tool. To learn more about these workshops and to RSVP, please go to EmpowerLA.org/outreach-workshops.

Elections Updates:

Candidate filing has opened for all of the Valley Neighborhood Councils conducting elections. You'll be able to register online now at <http://empowerla.org/nccr/>. You'll also have the opportunity to register via paper applications, which will be available through your IEAs (Independent Election Administrator). For those Neighborhood Councils who are offering online/telephone voting, please let your voters know that they can register online now at <http://empowerla.org/vrp/>

Policy Updates

Update - Council File: 15-1138 and sub council file #s 15-1138-S1, 15-1138-S2 and 15-1138-S3 relative to declaring a State of Emergency and providing emergency shelter and housing to the homeless were all approved by the City Council with an instruction for all report backs on the matter to go back to the City Council. A time frame was not given as to when the report backs will be available to the public. In addition to the report backs the City Council has instructed the City Attorney to report back with recommendation on matter.

Update - Council File: 13-1493 relative to Street Vending was heard in the Economic Development Committee on October 27, 2015 and is now pending in the Public Works and Gang Reduction Committee. The City of Los Angeles is asking for a more comprehensive legal framework to effectively address sidewalk vending. The matter is now pending in the Public Works and Gang Reduction Committee and will likely be heard in Committee in February, but a date is not confirmed. If Public Works Committee's actions are different than Economic Development – a motion would have to be made in Council as to which report to adopt.

Council File: 15-0600-S78 relative to the Implementation Plan for Clean Streets Citywide Program was introduced on May 21, 2015, and referred to the Public Works and Gang Reduction Committee. This motion instructs Public Works and the City Administrative Officer to report with an implementation plan for this program, including details on the allocation of resources across Public Works Bureaus. The Bureau of Sanitation is working towards continuing to provide quality and equitable customer service to all Council Districts, which the IMPLEMENTATION PLAN FOR CLEAN STREETS INITIATIVE intends to do. Various City Departments are working collective on this effort. The motion is pending in Public Works Committee, but the implementation process has started.

YES vote - If the Public Works and Gang Reduction Committee approves this motion, the matter will be scheduled to go before the City Council with the committees' recommendations to support the item. The committee's action can be amended by the council and a motion would have to be made in Council as to which instructions will be made.

NO vote - If the Public Works and Gang Reduction Committee does not approve this motion, the matter is still referred to the full City Council for deliberations, further instructions, or approval. Once the matter is scheduled for City Council, the elected body can vote to approve the matter, reject it, or refer the matter back to committee for further vetting or approve specific instructions as they see fit. The City Council vote takes precedence over the committee's vote/recommendations.
