Dear CANNDU Council leaders,

If you haven't [RSVP'd](#) yet to attend the EmpowerLA Awards and Volunteer Appreciation Dinner on Thursday, March 30th, please do so now as space is limited at [City Hall](#). The event starts at 6 p.m. with dinner and then the EmpowerLA Awards, the new Neighborhood Council Civic Engagement Los Angeles Vanguard (NCELAV) Award and some surprise Neighborhood Council Spirit Awards will be given out. This is another opportunity to network with Neighborhood Council board members citywide over dinner before celebrating one another's achievements. If you haven't already submitted for a Board of Neighborhood Commissioners EmpowerLA Award, please click [here](#). You can self-nominate your Neighborhood Council action or event that was completed in 2016. Please click [here](#) to submit your NCELAVA nomination. The deadline for both submissions is today, Wednesday, March 1st. We look forward to celebrating with you! If you want to help plan the Congress of Neighborhoods this year, please join the Congress of Neighborhoods Planning Committee as they start their regular meetings up on March 5th from 1 - 4pm at the Hollywood Constituent Center. Congress is the biggest Neighborhood Council event of the year so your help is crucial to make it a successful event.

Citywide Campaign:

Many thanks to those Neighborhood Councils who have taken the time to weigh in on our [report back](#) to [Council File 15-1022-S2](#) regarding online voting. City Council has not yet agendized this Council File for review so please get in your Community Impact Statements as soon as possible. We also [filed another report back](#) on [Council File 04-1935-S1](#) regarding improving the Neighborhood Council voting environment and election challenge process for future elections. If your Neighborhood Council wants to be part of this discussion, please file a Community Impact Statement on this Council File as well. In February, City Clerk Holly Wolcott and EmpowerLA General Manager Grayce Liu attended the regional alliance meetings to discuss online voting and funding. As part of that discussion, the topic of timing for the 2020 elections came up because the City Clerk will not be able to administer the Neighborhood Council elections. They have a conflict of supporting the municipal elections at the County level during even number years and will need to move Neighborhood Council elections to odd number years. Some options include pushing the 2018 elections to 2019 or holding the 2018 elections with the next elections in 2021. Because these options will include board term extensions. We're asking Neighborhood Councils to discuss how Neighborhood Council elections should be handled in their March and April meetings by agendizing this resolution ([word](#), [PDF](#)) for discussion and action. Thanks for your feedback!

Administrative Update:

Neighborhood Council contracts and leases administration will be moving to the Office of the City Clerk this month. Staffer Jeff Brill will be transferring to the City Clerk's Office to handle these contracts and leases. You can still contact him at Jeff.Brill@lacity.org if you have any questions or need to request a contract or lease for your Neighborhood Council.

Funding Updates:

The Funding Program team is happy to announce that our webpage on the City Clerk's website: clerk.lacity.org is up and running. When you get to the City Clerk's website, refer to the menu bar and you will find "Neighborhood Council Funding Program" on the right-hand corner. Clicking on that link will take you to our page where you can find out the latest updates; information regarding training and tools; guiding documents and forms; our contact information and your point of contact in the Funding Program. Finally, our web page also contains a Frequently Asked Questions segment which we will continually develop with your help. Please feel free to peruse our web page and ask general questions, staff will review the questions and post answers that will assist other NC Treasurers, 2nd signers and general board members and stakeholders in navigating the Funding Program. As part of the transition from the Department of Neighborhood Empowerment and the Office of the City Clerk, the Funding Program is creating a new system for all NC Funding related matters. In order to spread the news about the new system, we will be taking the show on the road. We will be holding a series of "roundtables" across the City, in each of the 7 City Planning Areas. The Roundtables will also be used as an opportunity to answer your burning questions about particular topics of the Funding Program, i.e. NPGs, events, outreach,

community improvement projects, etc. The Roundtables are planned for early March through mid-April, in the evenings from 6pm to 8pm, exact locations yet to be finalized, as follows:

South L.A.: Thursday, March 9th

East Area: Wednesday, March 15th

Central Area: Tuesday, March 21st

West L.A.: Wednesday, March 29th

South Valley Area: Tuesday, April 4th

North Valley Area: Monday, April 10th

Harbor Area: Tuesday, April 18th

The new system will include features such as Funding Request submission, payment to vendors, submission of receipts, and auto generated reports. To ensure the successful transfer from the Department of Neighborhood Empowerment to the Office of the City Clerk, the Funding Program has established the following key deadlines so that we can bring treasurers and card holders into the new system; recertify the NC treasurers, second signers, and card holder and issue new purchase cards. **June 1, 2017** will be the last day to submit funding requests and event approval forms. **June 7, 2017** will be the last day to issue any payment through the NC Union Bank Account; and **June 11, 2017** is the last day a Neighborhood Council can use the current purchase card. If you have any questions you may reach us at clerk.ncfunding@lacity.org.

In order to vote on Neighborhood Council funding items, Neighborhood Council board members must have current ethics training and funding training. The Neighborhood Council bylaws may also require these trainings to vote for nonfunding items as well. To serve on a board, Neighborhood Council board members must also have either read and signed a Code of Conduct or have watched the video. To complete these trainings, please click [here](#).
